INTRODUCTION

From 2011 we started our new branch Jyotsana Public School-Hadbado, Sidhi on Sidhi- Singrauli Road. The school is located in a neat clean environment having big campus with full of facilities.

The medium of education is in English. The learning environment struck used for children in school was aim to be rooted in indian ethos. This Emphasis continuous till this institution live.

COURSES & APPLICATION

It is based on C.B.S.E. pattern syllabus up to Class 8th. The Schools which are having classes from 1st to 8th. We are leap forward for established a new C.B.S.E. look. The school is recognized by state govt. of Madhya Pradesh right now .

AIM OF THE SCHOOL

JPS is dedicated to the development of a wholesome foundation for a generation which mould the destiny of the district in the 21st century.

*The School aims to build the person into a strong confident, committed lot & they are able to cope successfully with the rapidly changing world.

* The School believes that freedom of spirit and zeal for discovery are as important as the need for discipline and sense of duty. we aim to develop both mind and body of the child and strongly emphasize the need for an all around development of his/her personality.

FROM PRINCIPAL DESK

Jyotsana Public School came into existence with a clear vision of creating a complete environment & a perfect balance in between society and children by retaining their moral values and better opportunities. Education of a child should be the joint effort in school. so it is very necessary to make a balance between them. Now a day parents don't have quality time for their children. But for their complete development it in good for your child that you spent sometime with your ward and supervise his/her homework and told him about personal cleanliness and our moral values. I welcome all the staff members, students and our parents joining JPS family for this session.

FACILITIES

Medical Care :

All the student will be medically examined one in a year. More efforts will be made to have a regular checkup of the students and the parents will be intimated about deficiency through health cards. A well equipped medical ambulance will also a part of the school in order to provide proper first aid to the students in case of emergency.

School Transport :

The School will provided transport facility to its students at reasonable fee. It is not compulsory, rather it is discretionary. But school will not allow unsafe transportation (Bike etc.) to the students.

Once the school bus is engaged the students can not leave the facility with in four month. He/she will have to pay the four month fee. An application is served one month prior to discontinuation of the Bus Facility. The precious location of the pickup points will be depends on residential location of major use.

Kid's Day out :

Every year the KG students are taken to near by park to give them a chance to experience the environment with their friends.

Audio-Visual center :

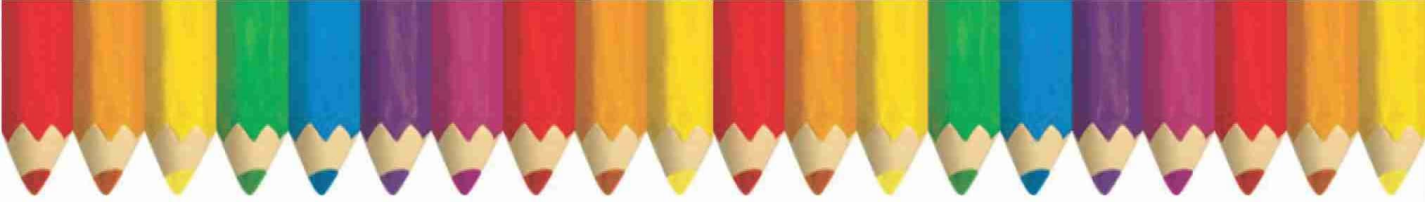

The School possesses and excellent infrastructure comprising comfortable Furniture, laboratory with full sanitation and a room for multipurpose, co-curricular activities, including informal interesting and informative games of the pre primary children. Audio visual goods gets and Educomp smart classes play beneficial for the student. The LCD Projector is also used as a teaching aid for the higher classes.

CO-CURRICULAR ACTIVITIES

We organize various co-curricular activities offering completely based training and healthy competition among the four houses of the school in music, dance, art, literary skill and drama.

These activities develop in our students confidence, leadership, self-dicipline and a sense of pride regarding our culture and also offer a platform to home their latent talents.
